

The Mayor is trying to change a law that affects you!

People's rights in shelter and housing programs (like Rapid Re-housing) might change, and it could become harder to get in (or stay in) shelter and housing.

What do you think?

- What should you have to do to show that you need emergency shelter and have no safe place to go?
- What should you have to do to show that you're a DC resident?
- Should Rapid Re-Housing have a time limit? How much rent should you be paying?
- What are the best solutions to homelessness?
